

Richland Collegiate High School

Capstone Information Sheet

Name: _____ Date: _____

Senior Capstone TNLZ Instructor: _____

Time and Day your Capstone TNLZ meets: _____

- 1.) What is your expected Career? (Try to be as specific as possible.)
- 2.) What university or college do you plan to attend after RCHS graduation?
- 3.) What is the research issue (question, problem, debate, or point of confusion) your capstone project seeks to answer, solve, or contribute to discussion? (Be specific)
- 4.) Why are you interested in this particular research issue? Do you have a personal connection to it or an academic interest in the issue? Explain your point of interest.
- 5.) What is your hypothesis or thesis?
- 6.) What makes your hypothesis or thesis unique from other scholars, who have discussed this issue before?
- 7.) What are at least three main assumptions and/or evidence underlying your thesis or hypothesis?
- 8.) What consequences are likely to follow from your hypothesis or thesis, if others apply your claim to the main research issue?

- 9.) What consequences are likely to follow from your hypothesis or thesis, if others do not apply your claim to the main research issue?
- 10.) What will your end product be for the final presentation on April 24th?
- 11.) Who is your mentor?
- 12.) Who is the librarian assigned to your class to help you with locating necessary scholarly sources for your capstone essay?
- 13.) How many sessions have you had with your assigned librarian either singularly or in your capstone class?
- 14.) What questions or concerns do you have about your project? Be specific.
